SENATE BILL No. 384

A BILL FOR AN ACT to amend the Indiana Code concerning taxation.

Be it enacted by the General Assembly of the State of Indiana:

- 1 SECTION 1. IC 6-2.5-4-1, AS AMENDED BY P.L.227-2013,
2 SECTION 2, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE
3 JULY 1, 2015]: Sec. 1. (a) A person is a retail merchant making a retail
4 transaction when the person engages in selling at retail.
5 (b) A person is engaged in selling at retail when, in the ordinary
6 course of the person's regularly conducted trade or business, the
7 person:
8 (1) acquires tangible personal property for the purpose of resale;
9 and
10 (2) transfers that property to another person for consideration.
11 (c) For purposes of determining what constitutes selling at retail, it
12 does not matter whether:
13 (1) the property is transferred in the same form as when it was
14 acquired;
15 (2) the property is transferred alone or in conjunction with other
16 property or services; or

(3) the property is transferred conditionally or otherwise.

(d) Notwithstanding subsection (b), a person is not selling at retail if the person is making a wholesale sale as described in section 2 of this chapter. However, in the case of sales of gasoline (as defined in IC 6-6-1.1-103), a person shall collect the gasoline use tax as provided in IC 6-2.5-3.5.

(e) The gross retail income received from selling at retail is only taxable under this article to the extent that the income represents:

(1) the price of the property transferred, without the rendition of any service; and

(2) except as provided in subsection (g), any bona fide charges which are made for preparation, fabrication, alteration, modification, finishing, completion, delivery, or other service performed in respect to the property transferred before its transfer and which are separately stated on the transferor's records.

For purposes of this subsection, a transfer is considered to have occurred after delivery of the property to the purchaser.

(f) Notwithstanding subsection (e):

(1) in the case of retail sales of special fuel (as defined in IC 6-6-2.5-22), the gross retail income received from selling at retail is the total sales price of the special fuel minus the part of that price attributable to tax imposed under IC 6-6-2.5 or Section 4041(a) or Section 4081 of the Internal Revenue Code; ~~and~~

(2) in the case of retail sales of cigarettes (as defined in IC 6-7-1-2), the gross retail income received from selling at retail is the total sales price of the cigarettes, including the tax imposed under IC 6-7-1; ~~and~~

(3) in the case of retail sales of electronic cigarettes, the gross retail income received from selling at retail is the total sales price of the electronic cigarettes, including the tax imposed under IC 6-7-4.

(g) Gross retail income does not include income that represents charges for serving or delivering food and food ingredients furnished, prepared, or served for consumption at a location, or on equipment, provided by the retail merchant. However, the exclusion under this subsection only applies if the charges for the serving or delivery are stated separately from the price of the food and food ingredients when the purchaser pays the charges.

SECTION 2. IC 6-7-4 IS ADDED TO THE INDIANA CODE AS A NEW CHAPTER TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2015]:

Chapter 4. Electronic Cigarette Tax

1 Sec. 1. As used in this chapter, "consumable material" means
2 any liquid nicotine solution or other material containing nicotine
3 that is depleted as a vapor product is used.

4 Sec. 2. As used in this chapter, "distributor" means a person
5 who:

6 (1) manufactures, sells, barter, exchanges, or distributes
7 vapor products in Indiana to retail dealers for the purpose of
8 resale;

9 (2) purchases vapor products directly from a manufacturer of
10 vapor products; or

11 (3) purchases for resale vapor products from a wholesaler,
12 jobber, or distributor outside Indiana.

13 Sec. 3. As used in this chapter, "manufacturer" means a person
14 within or outside Indiana that:

15 (1) produces vapor products; or

16 (2) contracts with another person to produce vapor products
17 and is the exclusive purchaser of the products under the
18 contract.

19 Sec. 4. As used in this chapter, "vapor product" means a
20 noncombustible product containing nicotine, such as an electronic
21 cigarette, that employs a mechanical heating element, battery, or
22 electronic circuit, regardless of shape or size, that can be used to
23 produce vapor from a liquid nicotine solution. The term includes
24 any vapor cartridge or other container of nicotine in a solution or
25 other form that is intended to be used with or in a vapor product,
26 but does not include any product regulated by the United States
27 Food and Drug Administration under Chapter V of the federal
28 Food, Drug, and Cosmetic Act.

29 Sec. 5. (a) The electronic cigarette tax is imposed on the
30 distribution of vapor products in Indiana. The amount of the tax
31 is based on:

32 (1) the weight in milligrams of the nicotine in the consumable
33 material of the vapor product; and

34 (2) the amount in milliliters of consumable material contained
35 in the vapor product purchased;

36 at a rate of eighty-three hundredths of one cent (\$0.0083) per
37 milligram of nicotine in the consumable material of the vapor
38 product for each milliliter of consumable material contained in the
39 vapor product purchased. If the tax calculated for a fractional part
40 of a milligram or milliliter carried to the third decimal place
41 results in the numeral in the fourth decimal place being greater
42 than four (4), the amount of the tax shall be rounded to the next

1 additional cent.

2 (b) The distributor of the vapor products, including a person
3 that sells vapor products through an Internet web site, is liable for
4 the tax imposed under subsection (a). The tax is imposed at the
5 time the distributor:

6 (1) brings or causes vapor products to be brought into Indiana
7 for distribution;

8 (2) manufactures vapor products in Indiana for distribution;
9 or

10 (3) transports vapor products to retail dealers in Indiana for
11 resale by those retail dealers.

12 (c) All invoices for vapor products must include the actual
13 weight in milligrams of nicotine per milliliter of fluid and the
14 actual fluid ounces in milliliters of the consumable material
15 contained in vapor products.

16 (d) Copies of all invoices for the purchase or sale of any vapor
17 products shall be retained by each wholesaler, retailer, distributor,
18 jobber, and subjobber for a period of three (3) years, subject to
19 examination by the department.

20 Sec. 6. All revenue from the tax imposed by this chapter shall be
21 deposited in the state general fund.

22 Sec. 7. The department may adopt rules under IC 4-22-2
23 necessary to enforce this chapter.
